With Christmas round the corner, I bring you warm greetings and great joy from Mifumi Primary School.

The school has closed for Christmas break and I am hoping we all have a relaxing break and find time to connect with family.

It’s a special season of thanksgiving; and we take this opportunity to express our gratitude to all those who have supported us in one way or another. We are greatly humbled by your generosity and your amazing works that have touched the hearts of over 700 children at Mifumi Primary School.

Permit me to specifically thank our donors and friends across the globe for all the amazing transformation you have made in improving education at Mifumi P/S.

Our special thanks go to; Standard Bank (Jersey, Isle of Man and South Africa), MPS Jersey (Uganda) Charity, Winnie Binns Trust and friends of the school.

We Are Greatly Humbled By Your Generosity And Your Amazing Works That Has Touched The Hearts Of Over 700 Children At Mifumi Primary School.

STANDARD BANK

Thank you for giving the life changing gift of safe water. Through your funding, we were able to construct a borehole that is serving over 700 pupils and staff at the school. Access to safe water is key in safeguarding our health.
The numerous text books and learning aids have greatly contributed to improvement in academics as seen in the previous final examination results.
Communications was made easier with the installation of a **satellite dish**. The school can easily be linked to other schools overseas through skype calls. Internet is also widely being used by both teachers and pupils for research purposes.

**Donations in kind:**

Happy children with wide smiles showing their gratitude for the; clothes, shoes, toys, sports equipment, beddings, and assorted books among others.

We take pride in showing off our school and walk with our heads high because the school looks fresh and beautiful after it was recently renovated.
The mats and carpets offer comfort to the little children while in the library.

Girls no longer skip school in fear of soiling their dresses due to the sanitary pads that were procured with funds from the Standard bank.

Girls no longer skip school
Their Participation In School Activities Has Also Greatly Improved Since They Received Pads That Offer Them Protection.
Our children can now breathe a sigh of relief from their domestic chores with a dormitory in place to accommodate them at school. The school was blessed to receive a grant from Winnie Binns Trust that was used to construct the facility and a wash room.

Our children now have extra time for their studies and relaxation away from home, where they were burdened by the daily chores of; cooking, fetching water, picking firewood and digging among other works.

**Winnie Binns Trust:**

**Standard Bank:**
You have made our teachers proud of their profession with the extra top ups that they receive monthly besides their salaries. Our motivated teachers are a blessing to the school because they take their duties seriously and this has contributed to the excellent performances in primary final year examinations over the years!

Mifumi Primary School is so fortunate to have great friends, whose support has transformed the lives of many children.
Happy Christmas

We are now in the festive season and Christmas fills our hearts with peace, pleasure and lots of cheer which is what you, our friends have given throughout this year.

Thank You Once Again And Enjoy The Season.

Have a Very Merry Christmas and a Wonderful New Year!
